

## Frank Ritter (Ritter International, Inc.) Announcement!

R2i Interim Leadership & Board Solutions announces Dennis Donovan, President & CEO of Beacon Advisors International, LLC, will serve on the R2i Advisory Board

**Frank Ritter**, R2i President and Founder, is pleased to announce that Dennis Donovan, President and CEO of Beacon Advisors International, LLC (BAI) will represent his firm on the R2i Advisory Board. Frank Ritter commented, “We are very thrilled and most fortunate to have Dennis on our Advisory Board and look forward to partnering with him. I’ve worked with Dennis for many years and his advice, guidance and SME will provide immeasurable value creation to R2i, and to our client’s initiatives and human capital requirements.”

Dennis is an outstanding global business executive and his background, experience and achievements are certainly impressive and widely recognized. His multi-industry international experience includes private equity, aerospace and defense, government services, manufacturing, industrial, automotive, distribution, health care, power systems, energy, technology, consumer, retail, transportation, banking, financial services, materials, chemicals, engineering, construction, maritime, infrastructure and, building products.

**Dennis Donovan**, “I am honored to be selected for the R2i Advisory Board and look forward to working with Frank Ritter and the Advisory Board members. Frank has an expansive network of leaders within aerospace, defense, national security and GovCon services. I’ve worked with Frank while at Raytheon, Cerberus Capital Management and Lone Star Funds. He has a reputation for sound advice, comprehensive focus and timely delivery on all objectives. Frank’s results are impressive – personally leading 600-plus executive searches and co-managing an additional 300 which consistently placed top-tier talent in board, C-suite, and senior leadership roles.”
